Subject: RE: FOIA Request Clarified

Jeffery,

Yes, your email is correct with the following correction – the items listed in 1-5 for each request are companies and individuals, not just companies. It may be easier if you correct your email below to note that they are both companies and individuals.

Your clarification of the request simply states that the communications or records requested in the FOIA request are emails. The rest of the request is the same. When you say “the SEC” that should include all SEC agents, etc., as described in the FOIA request.

Thanks,
Lisa
